Explanations:

In order to represent their interests, each department and each class votes for one representative and one deputy. Out of this group, one student council head and one deputy head are elected to represent the entire student body (see diagram below). These two student council heads should, if possible, come from different classes and subjects – however, this is merely our recommendation and not a requirement.

These two (or just one of them) are the official student representatives who participate in curricular conferences and are members of the examination board.

The term of office for all student representatives is one year. Re-election is possible.

If you have any questions or problems, please contact studentcouncil@edu.filmschule.de.

1 student council head and 1 deputy head

18 representatives and 18 deputies

1 representative ("class spokesperson") and 1 deputy from each department
